Presenting November's Guest Speaker

# Colin Edwards

Presents Wildlife on our Shores

Thursday 24 November 2016 - 7.45pm to 9.45pm

Colin has always had a passion for wildlife and the amazing diversity of animals that live both in the UK and abroad, with his love of wildlife and photography he has been privileged to travel to some of the most breath taking places in the world and seen some of the most amazing animals to grace our planet.

His talk is about wildlife in the UK, where and when to see it, how to photograph the subjects and the challenges that they provide.
